Siteco - products - indoor lighting > Luminaires With Higher IP Rating and For High Bay Areas > High Bay Luminaires > 5NJ300 Reflector Luminaire For Suspended Mounting

siteco reflector luminaire upper part for high bay luminaire pendant mounted, direct light distribution, without Control Gear 1 x HIE/HSE 1000 W, cable 3x1,5mm<sup>2</sup> housing made of die cast aluminium, metallic grey finish (RAL9006), height = 350 mm, diameter = 293 mm, ingress protection = IP20, UT<=+40°C, class1, F-sign

mounting:	pendant mounted
certification:	VDE, ENEC
order code:	5NJ30031AN
EAN:	4039806209726

### electrics

lamp type:	HIE/HSE
lamps:	1 x 1000 W
control gear:	without Control Gear
electrical connection:	cable 3x1,5mm <sup>2</sup>
Input supply voltage:	230V

### lighting technology

light opening:	direct
symmetry:	symmetric

### housing data

housing material:	die cast aluminium
housing colour:	metallic grey finish (RAL9006)

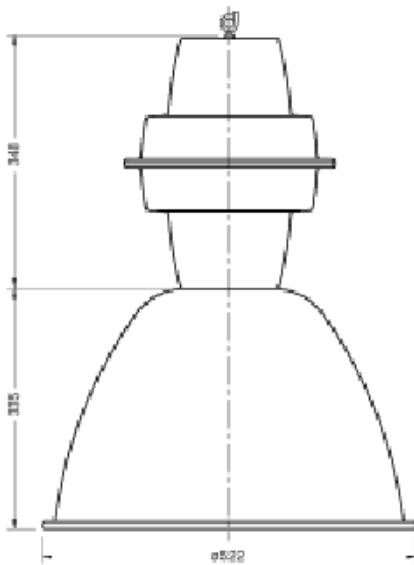

### protection

ingress protection 1:	IP20
protection class:	class1
protection symbol:	F
ambient temperature:	UT<=+40°C
